GOVERNMENT OF BOMBAY.
Rehabilitation Department,
Circular No. P. 14-D.
Civil Secretariat Annex,.
Mayo Road, Fort, Bombay (I), 4th October 1951.

C I R C U L A R.

In Government Express letter, No. P.14-D, dated the 5th January 1951, the Director of Rehabilitation, the Collectors and other officers were asked to furnish information, (in the proforma accompanying the letter), regarding expenditure incurred on the housing schemes for displaced persons, the urban loan scheme and the rural loans scheme respectively. The officers were also requested to furnish a monthly progressive statement of expenditure for each month by the 10th of the month following. In supersession of the above orders, it has now been decided to call for a fresh statement showing:-

- 1) The expenditure month by month, from April 1951 to August 1951 (inclusive) on the various schemes in the accompanying proforma -I.
- 11) A monthly statement of progressive expenditure for each month from the September 1951 onwards, in the accompanying proforma -II.

The officers concerned are, therefore, requested to forward to the Accountant General, Bombay, direct immediately, and in any case not later than the 10th October 1951, a statement in the accompanying proforma -I, so far as they are respectively concerned, a copy of the statement being at the same time endorsed to Government. For the months from September 1951 onwards, a monthly statement of progressive expenditure, in the accompanying proforma -II, should be forwarded to the Accountant General, Bombay, a copy being endorsed to Govt. by the 10th of the month following without fail.

2. With reference to the statements called for in Government Express letter, No. P.14-D, dated the 5th January 1951, it was found that some officers did not furnish the statements in time, which greatly detracted from their usefulness. In the absence of timely information from all the officers concerned, it becomes impossible to prepare a consolidated monthly statement of expenditure, and to control the progress of...

progress for expenditure. The Director of Rehabilitation and the Collectors etc., are therefore, requested to give the matter their personal attention and ensure that the statements now called for, are furnished by the due dates without fail. If no expenditure incurred, a nil report should be submitted.
